

# Magic Spell

- ▶ Begin by thinking of any number on the clock.
- ▶ Starting at 12, spell that number by moving clockwise one position per letter.
- ▶ You are now at a new number. Spell that number by moving again clockwise one position per letter.
- ▶ Once again, spell your new number moving clockwise.
- ▶ One final time, spell your new number to land on your final number.

The Number you've stopped on is: **FOUR**
